

2020 ELECTION PRAYER GUIDE

"Moreover, look for able men from all the people, men who fear God, who are trustworthy and hate a bribe, and place such men over the people as chiefs...."

Exodus 18:21

Scripture commands us to pray for those in authority, including those with whom we disagree. God commands us to love our enemies and pray for those who treat us ill. We ought to pray for their welfare, their salvation, for their families and God's guidance. We should pray that God will change their hearts to do right, but that if they oppose his will, He will remove them from office through the electoral process.
